Veterinary control:

The veterinary control will be carried out on Saturday, between 8:15 and 9:30. Exhibitors who are late and arrive with the veterinary check completed will have to pay a visit to another veterinary service before being able to access the exhibition site. **Veterinary decisions will be accepted without the possibility of complaint**

MEDITERRANEAN CAT CLUB

At 9:30 a.m. (to be announced over the loudspeaker) there will be an explanation of the TICA trials, for all exhibitors.

Sanitary conditions:

All cats must be identified with a microchip, with their vaccinations up to date. Cats from abroad must present a passport and be vaccinated against rabies. Nails are properly cut, both on the front and back legs. It is a beauty contest: it is suggested to bathe the cats and perform a good grooming.

Trials and schedules:

The trials, both Saturday and Sunday, will begin at 10:00 a.m. punctually. On Saturday we will have two rounds of rings, in the morning and in the afternoon, with a total of 8 rings. On Sunday we will have a round of rings, in the morning, with a total of 4 rings. Once the rings are over, around 1:15 p.m., the **BEST CATS OF THE SHOW** will be announced:

- ✓ Top Three Adults
- ✓ Top Three Kittens
- ✓ Top Three Alters

And they will be presented with recognition awards

We will also present a prize for Best Decoration (the theme of the show is: **Autumn**)

Once the awards ceremony is over, we will say goodbye to the show until next year.

As a courtesy to visitors, they are asked to have their cats in sight, in their exhibition cages, until the end of the show.

Complaints against the decisions of judges will not be admitted

You can support our show by sponsoring the judges' rings. An A4 size poster/advertisement, in color, with the name of the cattery, photos and logo will be hung on the ring table and will be included in the catalogue.

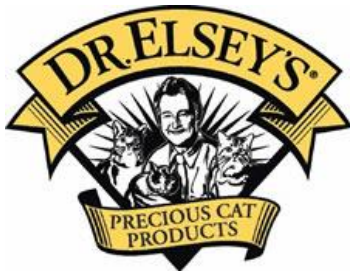

Sponsor of 1 ring: 30€

Sponsor the 4 rings: 100€

Include an advertisement (kennel, company, NGO, etc...) in the catalogue: 10€

You can contact us at medcatclub@gmail.com to send us the information for the poster (photos, logo, text...) and we will assemble it.
